

General Information

The J.P. Morgan Corporate Challenge provides an ideal opportunity for corporate entertainment and team building. On race night all the post-race action will happen in the Corporate Hospitality Village at The Wanderers Club, where you can watch the Awards Ceremony and enjoy live entertainment. This year's post-race concert will feature Shekhinah and DJ Luis.

We have contracted with The Wanderers Club on the basis of compliance to their regulations. There are municipal by-laws and safety requirements to which the hospitality team and all participants must adhere. As this event is a world-class event, it is assumed that companies will take responsibility for their employees, guests and families, whilst frequenting the Corporate Hospitality Village.
