Teams must be organized online using [Captain's Tools](#) and in accordance with the scoring rules located [HERE](#).

### **HOW ARE THE RESULTS COMPILED?**

We score three categories – Men's Team (four men), Women's Team (four women), Mixed Team (two men, two women). It is the responsibility of the Team Captain to determine which participants go on which teams after the race using the online Captain's Tools. Team Captains cannot place an employee on two separate scoring teams. Team Captains are not required to place all of your runners on teams.

### **WHAT IS A SCORING TEAM?**

A scoring team is made up of either four (4) males, four (4) females, or two (2) males and two (2) females. These teams will be made up of the four (4) fastest runners in each scoring category. The Team Captain will be able to create and submit the scoring team using the Captain's Tools.
